WHO CARES IN EUROPE?

1. Introduction:

Presentation and welcome by the Action Chair and Vice Chair.

2. STSM, ITC, VNS, VM Grants:

Laura Downs suggested several ways we might handle the different grants (STSM, VM, VNS, ITC). The new Grant Awarding Coordinator, Tamara Prevendar, announced that she wants to have some independence in the process. At the same time, she pointed out that the Grant Coordinator is supposed to be at the head of a team. Laura Downs suggested that Elena Rizzi and Radka Sustrova were well-placed to help Tamara with selecting among the applicants and should therefore constitute Tamara's Grant Awarding Committee. Laura Downs agreed as well that Ellianna Farazi and the Core Group could also support Tamara Prevendar in dealing with all the different grants.

3. WG applications:

Clarisse Berthezène, informed the Core Group members that according to the new COST annotated rules, WGs will be more formalized from now on. All members will soon receive a link in order to apply for the WG membership.

4. Meetings Organisation:

Fabio Giomi confirmed the meeting in Aix-en-Provence. He will send us soon all the details about the program and the venue of the meeting. He also confirmed that the project: "Decolonising Empires, 1930's-1970's: Transnational actors and social reform in (post)-colonial countries", coordinated by Marco van de Leeuwen and Michele Mioni, will also be hosted in Aix-en-Provence. Marco van de Leeuwen and Michele Mioni will organise a bigger session of this project with about 10 to 12 participants in the end of 2023. All Core Group members agreed to include this meeting in the WBP of the next period. Isidora Gribacki will send us soon some information about the project "Intellectual history and public engagement"

5. Budget Reallocation:

All the Core Group members agreed to use the unspent budget from the meeting in Paris to fund other meetings, publications and proof reading.
