1. Introduction:

The Action Chair and Vice Chair opened the meeting.

2. Budget Reallocation:

Clarisse informed the Core Group about the following details:

- Publication of Anca Dohotariu on Elder Care project: they will use the money of the meeting in Bucharest for the publication in Manchester University Press, (a total of 7388€). It's already voted by the CG by email. This publication will be co-funded by the Interdisciplinary Centre of Social Sciences of Portugal and the University of Bucharest as well.
- Top Up opportunity: we will finally have a total of 25000€ (21739,13€ and 3260,87€ of indirect costs) instead of 30000€.
- From this amount we will use a total of 5600€ for the Dissemination Conference Grants. It will be for the conference of Adriana Zaharijevic in Reykjavik

→ This item has been voted unanimously by the Core Group. Ellianna will contact Tamara soon for the launch of 5 Dissemination Conference Grants of 1120€ each.

3. Upcoming meetings:

- Keywords reader: they will finally organize a meeting in person on 20-21 July, instead of 11-12 May, in Cologne.
- Decolonizing empires: Organisation of the meeting in Utrecht on 7 and 8 September.
- Women's Intellectual History: Organisation of the meeting in Budapest on 11 and 12 September
- Organisation of meeting in Raphael Samuel centre (London) on 12, 13, 14 and 15 September
- Maybe add a meeting in Athens with 5 to 7 participants on early September with the remaining budget of the Top Up opportunity if it's possible

4. Communication and Dissemination:

Elena Rizzi presented her project for the women researchers and innovators. Inspired by the COST live glob for the International day of women, Elena will realize a brochure on the Website of the action with tailor-made short abstracts and descriptions of the projects that address the theme more directly such as:

WHO CARES IN EUROPE?

Pirjo Markkola and Dominika Gruziel, "Religion, gender and social care"

Isidora Grubački, "Women's intellectual history, care, and social thought"

Efi Avdela, Lindsey Earner-Byrne and Dimitra Lampropoulou, "Gendering the mixed economies of welfare: Ruptures and trajectories in post-war Europe"

The Core Group found this idea excellent.

5. Next steps calendar and votes:

All the following items were voted and accepted unanimously:

- The action will allocate a total of 5600€ from the Top-Up opportunity to the Conference Dissemination Grant
- The remaining budget of the Top-Up opportunity will be used for the meetings of London and Athens on early September
- The meeting of the Keywords Reader in Cologne will finally take place on 20-21 July.
