1. Introduction:

The Action Chair opened the meeting. She announced that this is the last Core Group meeting since the Action ends on September 19th 2023. She added that we need to make sure that things will go to the end properly and that in any case the project was fruitful.

2. Meetings Organisation:

- Keywords reader meeting in Cologne: 20 and 21 of July
- Meeting in Athens (Health sciences and welfare on families in Southern Europe 1945-1989) on September 8th
- Decolonizing empires: meeting in Utrecht on 7 and 8 September.
- Women's Intellectual History: meeting in Budapest on 11 and 12 September
- Organisation of meeting in Paris instead of the meeting in London on 11, 12, 13, 14 and 15 September

3. Budget Reallocation:

Clarisse informed the Core Group about the following details:

After the meeting of Léa and Gabriel in Paris (proving and describing domestic space in the Eastern Mediterranean and the Balkans), we have around 7K remaining. We can use this amount for the VNS of Elena and the organization of the meetings above in case we would like to invite more participants. If we still have more remaining budget, we can launch a new round of Grants. Everything need to done before September 19th (end of the action). Clarisse also stated that in any case the priority will be to pay Elena Rizzi for her work as a Virtual Networking Coordinator of the project.

Adriana added that the Narrative project is also about to end. Therefore, maybe they will need some budget for a Proofreading/Editing or an Open Access publication. The Core Group agreed that it's a very good idea to allocate as well the remaining budget on editing/proofreading or publications. This item voted unanimously.

4. Communication and Dissemination:

- Elena will send soon the last Newsletter of the Action
- We will keep our Website till the end of 2026, we managed to negotiate with the Service Provider (Act Print Lab). They made us an offer at 1275€ for all the expenses of the maintenance until the end of 2026.
